WARDROBE SYSTEM STOR
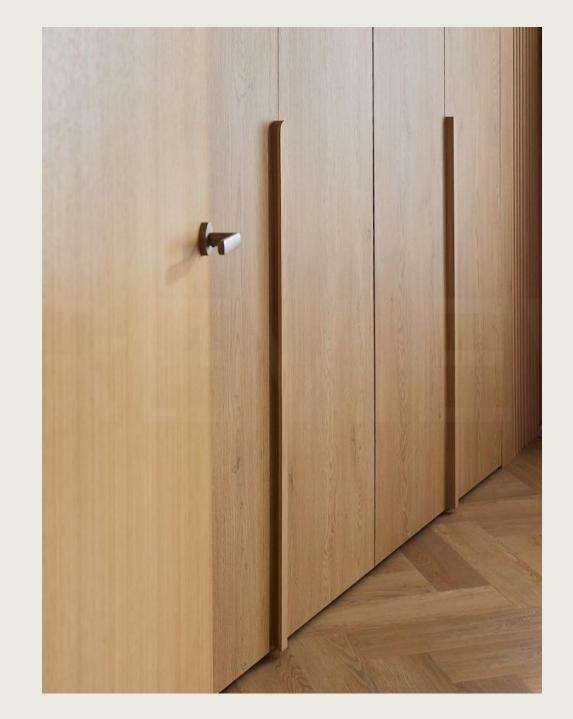

WARDROBE SYSTEM STOR

SIMPLE READY-MADE WARDROBE SYSTEM WITH BUILT-IN POSSIBILITIES

ABOUT THE SYSTEM

Stor is a wardrobe system for bedrooms, anterooms and children's and youth rooms.

The aim of the project was to complement and expand the current Wardrobe range, based on our proven solutions.

The Stor system is distinguished by:

1. a large number of solutions for customising products (large number of dimensions, materials, handles)

2. the possibility of functional customisation, thanks to a simple selection of ready-made interior proposals (packages).

3. well thought-out functional solutions (side wardrobes with mirrors, drop-down bar, pull-out trouser rack)

4. high quality of materials and technical solutions (sliding and folding doors, adjustable legs for precise levelling of furniture)

Wardrobe combinability and the possibility of built-in masking panels.

6. make the ordering process easier with the configurator and dedicated tools in VOXBOX.

6. availability of products in stock immediately.
